Statement on

- **EU Directive 2011/65/EU (RoHS), as well as the amendment of Annex II of this Directive (2015/863)**
- **REACH (EU) 2020/2096 (SVHC list of 23-01-2024)**
- **POP (EU) 2019/1021**
- **Toxic Substances Control Act (TSCA)**
- **China RoHS (SJ/T 11363-2006)**

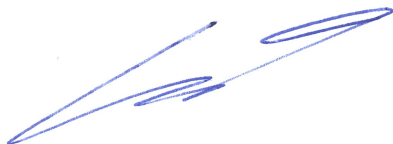

The goal of the directives is to protect human health and the environment from the risks that can arise from specific chemicals. Therefore substances of very high concern are listed and regulated in the stated directives.

PHYTEC has done a check for compliance and can confirm, PHYTEC does not add any of the listed substances in its products during the manufacturing process and to the best of our knowledge, the supplied articles which are not listed in the appendix of this document (Appendix A) do not contain any of the substances in a concentration which are, according to the provisions of the directives, prohibited or restricted of being placed on the respective market.

If we become aware of any restrictions, we will provide you with information immediately.

If you are receiving articles listed in the Appendix A, please contact your sales representative for further information.

Best regards,
Tobias Umsonst
